At this time of year while children are settling into their new pre-school routines our focus will be on their personal, social and emotional development. Please be assured that we will contact you during the session if we are unable to settle your child but please don't hesitate to give us a call if your child is unhappy when you leave them and you are concerned.

Please remember...your children will be playing with sand, water and paint etc and will play outdoors in all weather! Please ensure they are dressed in appropriate (old not new) clothes - children may get messy! Wellies and coats will be needed for cold or rainy days and sun hats and sun cream while the sunny weather remains. Please remember...label ALL clothing and belongings bought into pre-school with your child's name - wellies, coats, hats, shoes and bags etc

Please remember we are a healthy eating setting. With that in mind we request that you do not provide any chocolate or sweets for your child's snack or with their packed lunch.

We celebrate birthdays with the children by singing Happy Birthday - again, as a health promoting setting can we please ask that you do not send in sweets or cakes to celebrate.

We provide children with a drink of milk and a healthy snack during the session and children have access to drinking water at all times. Please remember, if you have not already done so, we would appreciate your £10 contribution towards the cost of snacks each term.

Important: No nuts or nut based products allowed at pre-school we are Nut Free!

Keeping in Touch: If your child is new to the pre-school, please be sure to look out for an email from Tapestry, inviting you to set up a password. Once you are signed up you will be able to access information from your child's key person - keeping you informed about your child's progress

Please see our revised term dates overleaf (please note there have been some recent changes!!!)
