# Eaton Socon Pre-School

A young persons dream

## NEWSLETTER MAY 2024 (Daisy & Poppy Rooms)

As we approach the final term, we are busy at pre-school, with lots of activities and events planned for the coming months. Our focus during the Summer Term will be on PSED (personal, social and emotional development) and independent learning and getting the children prepared for moving on to their new rooms.

**Visiting the Poppy & Sunflower Rooms...** During the week commencing 1<sup>st</sup> July (during their normal pre-school sessions) children will be visiting the Poppy and Sunflower Rooms.

**Ready for Summer ...** Please remember to send your child to pre-school with a hat during the summer term and apply sun cream to them before arriving – remember *even on cloudy days the sun can still be harmful to your child's skin*. Please ensure you check the labelling to ensure your suncream does not contain nut product ingredients (*including Prunus Amygdalus Dulcis oil*).

Please check that all your child's clothing and other personal belongings are labelled with their name so that we can be sure to send the right belongings home with the right child!

Please send in a named water bottle each day and take this home at the end of the session.

**Free Childcare...** If you have a count on me declaration form to return, please ensure you complete and return this as soon as possible, as we are unable to claim funds without this form and you will be invoiced for the fees.

**May Day Bank Holiday...** If your child usually joins us on a Monday, please remember we are closed next Monday for the bank holiday.

### Dates for your diary...

**Monday 6<sup>th</sup> May: May Day Bank Holiday (pre-school will be closed)**

**Monday 27<sup>th</sup> May – Friday 31<sup>st</sup> May: (closed for the half-term break)**
