

Registered Charity No. 1169451

Eaton Socon Pre-School

A young persons dream

Summer 2025

Dear Parents/Carers

As we come to the end of another academic year, I would like to take this opportunity to thank you all for your support throughout the year. We uphold the highest standards in everything we do and hope this is visible, from staffing and equipment to our trustees. Our focus is always to give our children the best possible start to their early years care and education.

As a not-for-profit charity we are blessed to be able to reinvest in our pre-school. Thanks to our dedicated trustees, who share our vision to improve the pre-school, this year we have been able to continue to renew and expand our range of resources and equipment.

We are proud to have been awarded Millie's Mark accreditation for our proficiency in child safety and paediatric first aid. This year we have also introduced a tooth brushing programme with our older children and have now received our My Smile accreditation for oral health.

We really value our entire pre-school community and the opportunity to include everyone in what we do at pre-school. In June, over one hundred dads, mums, grandparents and uncles etc stayed to play and enjoyed a bacon roll with us. Also, our recent visit to Wimpole Farm was a wonderful day; with over 200 of our pre-school community joining us for the day out.

Last Christmas, we celebrated with a visit from Father Christmas and 'real' reindeers and our families enjoyed activities together and complimentary hot chocolate in the garden.

During this term we have been lucky enough to welcome several visitors to pre-school to enhance the children's experiences and learning. Our visitors have included a visit from the Fire Service (with their fire engine/appliance), Mr Piccolo (with interactive music and singing workshops) and MagPas (rescue service).

We believe our planned activities and huge range of resources, as well as a highly qualified, experienced and dedicated staff team, deliver an enriched curriculum, offering first hand experiences for your children. Our not-for-profit organisation also allows the luxury of providing a high adult to child ratio, which benefits the communication and language environment for the children.

Our last pre-school sessions of the term will be today, Thursday 17th July and for those children returning to us in the Autumn term, we look forward to welcoming you back from Tuesday 2nd September.

If your child is leaving us at the end of this term to start school or join a new setting, we wish them the very best in their new adventure.

Once again, we would like to thank you all for your continued support throughout the year and wish you all a happy and healthy summer break.

Kind regards

Caroline Allanson
Pre-School Manger
